

Hello,

My name is Richard DeSaga. I first want to apologize for my sloppy handwriting, improper grammar, or misspelling. I just would like to thank you for all of your support. It was a bit of a shocker when I started to receive packages from people who didn't know me because I wasn't sure that people really ~~at~~ understand the fact that we are here. Sometimes it seems that a lot of people don't care about what we do for our country. These past few months have shown me that people are supportive and understand the hardships soldiers go through. Again I would like to thank you for all of your support and the care packages that you send us.

Signed

PFC Richard J. DeSaga
