

Santa Helpers,

My name is SGT Neal and I wanted to say thank you for your gifts that you sent. I have had two surgeries in two weeks, so to see that there are people who still care while we are away means a lot. We in the services are under a lot of pressure here in Iraq so to get things that we need in our everyday lives that we may not be able to get right on the spot comes in handy. I just wanted to say thanks and we will be home soon.

Love,
SGT Neal
