

DEC. 12th

Hello EVERYONE-

My name is Brandon Nuñez. I'm 22 years old & will be 23 on Jan. 2. I'm in an Infantry soldier in Iraq. I received a package from you. I wanted to tell you thank you and it means a lot.

Now I don't get a lot of packages however it would be nice to get some for the whole year cause people tend to forget about us after Christmas. We are here for a year and it's not fun. But by getting packages & stuff from you guys makes our stay here a little better.

I took all you guys cards for Christmas & hung them up in our room so that when we go out on a mission I have something to come home to.

Your love and packages mean more to me & the guys more than you could imagine. We greatly appreciate everything you do for us.

Your Loving Soldier
Brandon Nuñez

D.S. Hope to be here, from you all soon!
