My name is SPC Terry Rathiff  
thought I would write you and say  
thank you. This time of the year is  
always tough on all of us being away from  
our families. I've been to Iraq three times  
now ~~now~~. Just knowing there people back home  
that still supports us means a lot to us.

Sometime you feel like no one cares and then  
people like yourself show their support then  
you realize they do. Just to tell you about myself  
I was ~~to~~ born and raised in North Carolina in 28 yrs  
old I have a son that turns three in March  
You will never know how much your gift meant  
to. I hope + Pray that you + yours have a Merry  
Christmas. To Finish tell you about myself I've been  
in the Army for six years. I'm in the infantry  
you might know what that is we are the one  
that go after the Bad guys. Once again  
~~to~~ thank you. Would love to hear Back  
From you.

Thank you  
Terry Rathiff
