

Christmas for our Troops,

Thank you for the packages and support. It means a great deal to have such great support back home, especially this time of year. You made this holiday special. The soldiers here are extremely grateful. I truly wanted to express my personal gratitude with writing and saying, "Thank You."

Our unit is from Midland, Texas and hope to be returning from Iraq sometime this coming summer. The guys here are doing some amazing things in order to assist Iraq in regaining its freedom. We are proud to be apart of such a time in the Worlds history and again thankful to have such great support in times such as these.

Thank You for your support,
