

Dear Supporter,

Just wanted to let you know we all received the package you sent for the Holidays. It really meant alot especially during that time of year. Everything you sent was very useful and saved all of us time & money during a fast pace move we had to do over the Holidays.

We are settled again much farther North from BASRAH, IRAQ in the Baghdad area. So on behalf of the 601st Movement Control Team originally from Santa Fe, New Mexico we send our thanks for all of your hard work to support us from Home. Take Care and God Bless your Company and everyone who helped!
