Dear Scott,

On behalf of the Soldiers from 2d Engineer Battalion, I would like to send our deepest Thank You and appreciation for the Christmas packages we received in Northern Afghanistan. Your organization and volunteers are truly Great Americans and their time, generosity and prayers are all very appreciated. As you know, our Soldiers are doing amazing work and we hope to bring a touch of the Freedom and Peace we cherish so much to a land and people that have not seen it in some time.

Thanks to you all and may God continue to bless our great Country,
Bill
