Sir, my name is Joshua Munchbach. My title is HM3(FMF) Munchbach. I am a Navy Corpsman Attached to 1st Marine Division, 3rd Light Armored Recon, 2nd Platoon. I am currently operating in Afghanistan. I wanted to say thank you for the Christmas package. I was not expecting anything for Christmas out here. You guys made my Christmas. Everything in the package was stuff we could use out here. We are out here by ourselves doing patrols every day, thinking we are on our own. It is nice to know that people care. I don't know how you got my name but, thank you all for everything. I look forward to donating to CFOT for other troops in the future.
