Dear Scott,

Hi, my name is Cpl. Glenn Reed with the U.S. Marines. I am the section leader for our company's 81mm mortar section, i have about 25 marines in my charge and most if not all of them myself included recently received an amazing Christmas package from you and your organization and i just wanted to take a few minutes to thank you. So... Thank you.

It is always nice to know that you and the work that you do is appreciated, and you have done a great job of making the deployed life of my guys and i a much more enjoyable one. As a matter of fact, i only about five minutes ago, when i went to get your business card to right this email, saw the two dollar bill with the card attached and the note brought a smile to my face, how i missed it the first time i have not a clue but thanks, it will be concealed in my body armor for luck (hope it works).

If there is anything i can do to help your fine organization with its mission please let me know and i will see what i can do. thank you again from the marines of D. company 3rd light armored reconnaissance battalion.
