On behalf of all the guys at VSP Puzeh, we want to thank you for sending us the care packages. We thought we just got 30 something boxes of beanie babies and other items we wouldn't necessarily need or use, but then we opened them and when we saw a 2 dollar bill, we knew it wasn't going to be one of those packages. Many of us have multiple deployments under our belts and these were by far the best care packages anyone has received from an organization. Being at these remote sites the resupply runs slow if we even get one, so the gun lube came in handy. Thank you for putting in the time and effort sending us these care packages, we appreciate it very much.

Thanks again from the guys at VSP Puzeh, have a Merry Christmas and a Happy New Year!
