Christmas For Our Troops Team,

The 1st Squadron, 13th Cavalry truly appreciates the care packages that you have sent to the Troopers of the Warhorse Squadron. I hope your team has a Merry Christmas and a Happy New Year. The package contained everything that a deployed Trooper needs. I just finished cleaning my weapon with the oil and tools that the package contained. I also have the 2 Dollar Bill in my pocket. My hats off to your team for your support. Thanks. Bryan.
