Sir/Ma'am

I just received a care package from ya'll. I'm from Stanton, TX so I was surprised to see this from Midland. Anyhow I just wanted to take the time to let ya'll know that I appreciate the things ya'll sent me. This is probably the best care package I have received from a group like yours before. I really like the weapons cleaning gear. This package will go to good use. Thank Ya'll and Merry Late Christmas!

Very Respectfully,
