Dear Christmas For Our Troops,

Thank you so much for your amazing care packages! It's like you knew exactly what we needed! Everyone here appreciates it very much. My Lieutenant was saying how he thought they were the best care packages we've received since we've been out here! You guys rock.

It's nice to know we have people back home supporting us. Spending the holidays away from our loved ones is tough, but we know we're out here for a reason. We are proud to serve our country with supporters like you behind us.

I included a picture of our own little family in the sand. We hope you have an amazing holiday season and can't tell you thank you enough.

Merry Christmas and Happy Holidays!

Sincerley,
