

Dear CFOT Midland,

04 Jan 2011

Just before Christmas I received a care package from your organization. Being that I lived in Midland and currently reside in Big Spring, Texas I was intrigued to receive a package from so close to home. In the care package I was surprised to find such wonderful gifts. I would like to express my deepest gratitude and sincerest thanks for two items in particular. THE SWAT knife was incredible and probably the most valuable AND contrasted// quality gift I have received from any organization, you guys are a cut above the rest. Thanks.

I would also like to thank you for the book I received "Golfs Sacred Journey". Golf is one of my few passions living in West Texas, along with my family. I read it cover to cover and it touched me very deeply. I loved the story about golf but even more so about life. It has made me look at my goals and achievements in a new light and look to my wife and 3 daughters as true crowning achievements.

I will never forget this book and the impact it has made on my life. For this, thank you.

Respectfully

SSG Shawn Bose
