Mr. Davis,

Amanda and I just wanted to send you a quick note to say thank you so much for all that you and everyone involved with the Christmas for our Troops program does each year. The amount of happiness and comfort that you are bringing to the soldiers at this time of year, whether the physical need you are fulfilling with the items in the package, or the act of getting mail and knowing that there is someone back home thinking about them, you are bringing great joy and happiness to our military overseas. Believe it or not, a majority of soldiers rarely receive mail while deployed, and getting even the smallest note of thanks or a package during the holidays is a great morale booster.

Thanks again, and please tell everyone you work with how much we appreciate what you are doing for our military.
