37boxes.... another s... soldier ge... yet anoth...

Scott, thought I'd share a few pictures that came from my grandson, Dustin Berry. They had been out on an exhaustive 3 week "camping trip" and came back to a wonderful surprise a couple of days before Christmas. He enjoyed playing Santa as he passed out the boxes. He did apologize for not getting pics of everyone, but, with guard duty schedules, and R&R schedules, this was all he could get. Not only did those packages make 37 soldiers very happy, they made this grandmother smile while I was reaching for the tissue box. THANKS FOR ALL YOU DO FOR OUR SERVICE MEN AND WOMEN!!

Kindest regards,
Bennita Clark
