Christmas for our troops,

Thank you very much for all your packages. The time and effort that went into preparing these did not go un-noticed. The fact that you all took the time away from your own lives makes them even more special. For most of our young Marines this is the first time they are away from home during the holidays, so things like this help them make it through. We are blessed to have true Americans like you that still put others before them. We cannot thank you enough for all your time and efforts. May God bless you in all that you do.
