Hello Sir,

I am SSG Wilson from 2ed CRT for 2-23 Infantry Battalion. I am the Motor Sergeant for 15 men and we received a box from my commander. It had in it a colt knife in the package. I was wondering what we could do to get 14 more of the boxes. Not just for the knife but for all of it. We are at a small post with a small px and the goodys inside would help my men out with moral. We are the mechanics for the Infantry and work long hard days. Thank you for the support.
