

Dear Christmas for our troops member,

I would like to say thank you for the package. The box brought me a very large amount of joy and happiness. When ~~receiving~~ I received the package I instantly began to smile because it showed how far the Christmas spirit and care of people can go. I wish I could express in this letter my amount of gratitude and thankfulness for every man, woman and child that helps put together these packages. I would like to say thank you again for everything and from everyone that is here with me.

From: Capt Hurst (A Thankful marine)
