CFOT,

On behalf of all the Marines out here with Marine Aviation Logistics Squadron 16-Airframes we thank all of you for taking the time to send us these packages. All the Marines here really enjoyed what you sent from the knives to candy and money. Most felt that these packages were really helpful during Christmas because some didn't have anything to get but you made that happen. You should all be very proud of yourselves for helping us it really brings morale up out here to receive packages but I do believe that the packages that you all sent we the most heartwarming that we received this holiday season. God bless and thank you for everything you have done.

Respectfully,
Cpl Gonzales J.M.
