

Dear Honorary Log Dawg,

As our time here in Afghanistan is coming to an end, I would like to offer another sincere thank you for your support of the mighty 582nd Medical Logistics Company during our deployment.

It has been a long 8 months since we have seen our families and friends, but it has been made a little bit easier every day by the letters, care packages, well wishes, and continued supported that we have had from back home. We have all worked hard and accomplished a lot during our time here, both personally and professionally, and I would like you to know that success of this magnitude would not have been possible without your support.

I invite you to keep following our unit Facebook page, which I will continue to update regularly with pictures of our remaining time in theater, our redeployment, and our reunion with family and friends. If you haven't found it yet, the web address is <https://www.facebook.com/pages/582nd-Medical-Logistics-Company/109758055746714>.

Again, thank you for your continued support. It is truly appreciated and we will all forever remember those who made our deployment better and easier through their thoughtfulness and selflessness.

Very respectfully and with immense gratitude,

Jennifer S. Moore
