Dear Christmas for our troops

Thank you so much for your package that you sent us. I am a marine floating around out in the ocean. Your package really made me feel as if I was home. I was really excited for the knife you sent seeing how mine had just broke the week prior. All of the snacks and little things really add up in meaning a lot to ~~use~~. It is so cool to know that veterans that have fought for this country before even my dad was born still care enough about us to help make these packages. This being my last holiday season in the marines it made me feel right at home. Keep up the awesome work.

Sincerely

CPL McKenna, Kyle USMC
