Scott,

Please distribute as appropriate.

On behalf of the 455 ECES Force Protection Unit, I wanted to extend my sincerest thanks and gratitude to all of those who donated to and involved with the Christmas for our Troops and A Knife for a Soldier programs. We received a box filled with many items from home that will be enjoyed throughout and beyond the holiday season. This time can be difficult for those of us away from home but, when care packages are received from organizations such as yours, a little bit of "hometown" warmth is brought to all of us.

We also received a few christmas cards in our package and would like to thank those whose names were in them:

Penny and Korin Crossin

Margaret Leonard

Jaidyn from Brier Creek Elementary in Thomasville, North Carolina

May God Bless you all for what what you continue to do.

V/R

SSgt Kyle Williams
