

Dear Christmas for OUR Troops,

I would like to say a sincere thank you for your support of the mighty 582nd Medical Logistics Company while we are deployed. We are doing well so far and are excited about the months ahead and the challenges that we will undoubtedly continue to face along the way.

It is very motivating and inspiring to know that there are people like you back home in the States that really do appreciate what we are doing here and are willing to take the time and energy to reach out to us to say thank you and offer your support. It is truly an honor for me to work beside each one of the 62 Soldiers in this unit, and it is even more of an honor for me to be able to share support from back home with them. I thank you for giving me that honor.

If you haven't found it yet, our unit has a Facebook page that I update regularly with pictures of both the unit's day-to-day operations around Afghanistan and special events. It can be found at <https://www.facebook.com/pages/582nd-Medical-Logistics-Company/109758055746714>. Please feel free to "Like" us to see how our Soldiers are doing and share in our joys and successes.

Again, thank you for your support. It is truly appreciated.

Very respectfully and with immense gratitude,

Jennifer S. Moore
