Scott,

Just a quick note to tell you how appreciative the Soldiers of 3-144 Infantry Battalion were resulting from your Christmas gifts. You and your organization certainly did everything possible to insure that we felt the Christmas Spirit even though we were thousands of miles away from home and loved ones. Thank you for taking the time to organize, fund raise for, and coordinate this great endeavor. Your kindness still brings a tear to my eyes.

Take care of yourself and give our sincere thanks to all of those that volunteer with your organization as well. Without your efforts, I'm sure that many Soldiers would not have felt the love and spirit that the Christmas season is supposed to bring.

Sincerely Yours, and With Thanks,
