Scott and all the Fine Folks at Christmas For Our Troops, Inc:

Hello, everyone. My Chaplain, CPT Will Alley and I are writing to say a big "THANK YOU!" for the care packages your organization recently sent us. The items included are thoughtful and useful, and our Soldiers who receive the gifts are very pleased. We love being able to provide such items through the packages we send, and I must say that the ones y'all sent are of a higher quality than some others.

May God continue to bless you in your ministry. We're all very thankful for folks like you who help us experience a little bit of home. Thanks for your service, past, present and future.

Sincerely,

NATHAN M. SCOTT
