

UNITED STATES MARINE CORPS

Dear Kind Citizens,

I can't even begin to express the amount of gratitude that I have by receiving your care package. It brought me back to when I received Christmas presents from my cousins by mail. You have given me a sense of home to not only me, but to my entire company.

THANKS to all your staff, organizations, and you for making Christmas possible for everyone on this ship. This letter of gratitude is for you. All of you have made a cold Christmas warm again by giving us your kind hearted gifts, we are in your grace. THANK YOU & GOD BLESS!

Gratefully Yours,
