Good Afternoon Chris,

Although I am a serving BRITISH serviceman, I am currently serving along side the USMC. We are both responsible for mentoring the Afghan Uniformed Police in Helmand Province, Afghanistan. Helmand Province is easily the most kinetic areas in the whole of Afghanistan and it is nice to receive parcels from people who care about the work that we are doing out here.

I would like to thank your organisation for delivering these parcels, I know it takes alot of effort and there is much care that goes into the gift that you have placed in them. I will take care of all the items I have received and will carry them with me for the rest of my military career and beyond knowing that they came from the USA. My wife is currently heavily pregnant and our first baby is due on the 1 April 13, I will take great pride in giving him the beanie baby when he is old enough and will ensure he keeps the \$2 note for good luck.

Thank you and you team again for the hard work you do.

Kind Regards
